How to become a Friend of Cheltenham Bach Choir

Friends receive a top price ticket or voucher for the seat of their choice* for concerts given by the Choir during the year. A Friend's subscription is £55 a year (senior citizens and students £50), which represents a substantial discount on ticket prices and ensures preferential booking. You will be able to reserve additional tickets for your friends and family at the same time. Friends are also invited to join many of the Choir's social events**. Our Friends provide us with valuable support and help us to promote top quality performances of live classical music in the area.

Further details are available from the Friends' Secretary, Michelle Barnes, telephone 01242 575625 or email her at friends@cheltenhambachchoir.org.uk

*Seats at Christmas concerts may be unreserved

**There is usually an additional charge for social events
